2. Introduction

1. BESCOM on behalf of all ESCOMs is intending to have a Network Bandwidth Service Provider for various offices to meet the requirements of present and upcoming projects. At present, offices are connected through different networks which are from the different network service providers.
2. ESCOMs have decided to have a Network Bandwidth Service Provider across all offices and DC & DR (on premise/ cloud DC and cloud DR). The common network solution has been envisaged to eliminate seeking services from different network service providers, so that a unified solution for the network is in place, which is robust, centrally manageable, scalable and has high availability.

3. Scope of Work

BESCOM is seeking Network Bandwidth Service Provider (NBSP) for delivering links to various ESCOM branch offices across Karnataka, IPDS DC & DR (on premise/cloud DC and cloud DR). The type of links to be provisioned are mentioned below:

1. Primary, Secondary and Tertiary Internet Leased Lines (ILL) for DC at HSR Bangalore.

3. Internet Leased Lines (ILL) for Branch Offices across Karnataka
4. 4G SIM GSM based connectivity for the Branch Office.

The links will be utilized for IPDS, ERP and any other ESCOM projects.

The activities to be performed by the Bidder can be classified as below:

3.1 Internet Leased Line (ILL)

The Bidder shall commission fully managed Internet Leased Line links for DC and for all ESCOM site locations as per Annexure 3. The links delivered should have symmetric bandwidth (same upload and download bandwidth) and should adhere to the link bandwidths mentioned in Annexure 3.
